

We at Wendys Flowers believe that meeting neighbors and working toward common goals help develop strong communities. We are proud to support non-profit organizations in local communities through donations of Garden Gift Cards and Decorated Plants.

To apply for a donation, this application must be completely filled out 3-4 weeks prior to the date needed for consideration. Letters, brochures, and the like may accompany the application but **they do not replace it**. You will receive a response from us at least 2 weeks prior to your event if approved. You will receive a Garden Gift Card that can be used for any product at Wendys Flowers. Cash donations will not be given. All items (due to the sensitive nature of the live plant) will need to be picked up no earlier than 48 hours prior to the event start date. The average donation is \$25.00 to allow us to help more organizations.

We feel all the organizations are just as important as others however; we do need to take into consideration the type of event in order to allow a wide variety of different charities. We feel this helps all those that are in need and helps to support research and education on all levels in all fields.

We thank you for understanding and we wish you the best of luck on your event.

Please complete and return this form, along with a cover letter on your organizations official letterhead, and include a copy of your 5.01©3 certification, if applicable. Any information regarding your event, program, or organization will also be helpful. This request should be submitted at least 3-4 weeks prior to your event. Please allow at least 2 weeks for a response if we are able to donate.
